

Dear Parent/Guardian,

Our school strives to highlight the many positive accomplishments of our students. To do this, photographs and video images are sometimes taken of students in individual and group settings during the school day and at extracurricular activities. These images may be used on the school website, in published printed materials, and in weekly newsletters to the I.S.A. community. We wish to notify you of this possibility and request that the Photo Permission Form be completed for each child indicating your preference below. Recognizing the sensitivity to children's photos on the web, we've worded the paragraph below carefully. Please return forms to the front office as soon as possible.

Sincerely,

Sarah Putnam – Head of School
